

## Automatic Splitting Machine LED Lights Assembly Machine For Strip Light FPCB

### Our Product Introduction

#### Basic Information

- Place of Origin: CHINA
- Brand Name: ETON
- Certification: CE,CCC
- Model Number: ET-580
- Minimum Order Quantity: 1 set
- Price: FOB USD 3600~6000/sets
- Packaging Details: Our packing is made of wooden box with vacuum package, and we promise to deliver the goods within four weeks after payment.
- Delivery Time: 30 work days after deposit
- Payment Terms: T/T
- Supply Ability: 50 sets per month

#### Product Specification

- Name: Automatic Splitting Machine
- Dimension: 1100\*660\*1000
- Warranty: 1 Year
- Weight: 100kg
- Condition: New
- Power Supply: AC220V 50Hz
- Payment: T/T,LC
- Compatible PCB Material: All LED Soft Strip PCB
- PCB Feeding Speed: Adjustable max. 300mm/s
- Max. Length Of PCB: No Limited
- Highlight: **LED Light Splitting Machine,  
FPCB LED Lights Assembly Machine,  
Strip Light LED Lights Assembly Machine**

## Product Description

**Automatic splitting machine for strip light FPCB led lights assembly machine automatic assembly line led light assembly line led lights manufacturing machine split machine pcb splitting machine price**

### pcb splitting machine introduction

- 1) Customized cutting mold according to real PCB which can ensure accuracy.
- 2) Humanization design which make it easy to operate and use
- 3) Special blade which will not break PCB and Chips
- 4) Famous brand motor which can give enough power to ensure the speed.

### Description :

- 1) The finished PCB cutting edge is smooth and flat
- 2) The cutting process is very stable as using special blade to ensure the high cutting quality.
- 3) Can be compatible to automatic working line which will increase the production efficiency
- 4) Original importing famous brand material can ensure the cutting quality and long life-span.

### Technical parameter of PCB splitting machine

Name	LED soft strip PCB splitting machine
Item	ET-580
Max. length of PCB	No Limited
Compatible PCB material	all LED soft strip PCB
PCB feeding speed adjustable	max. 300mm/s
Power consumption	120w
Power source	220V,50-60HZ
Weight	100KG

### Pictures of pcb splitting machine

### ETON company

**Efficient team:** We provide the most systematic solution for you. The best suggestions of full SMT line equipment according to your budget and site.

**Competitive price:** We are directly manufacture of the ETON pick and place machine, so we can give you the best competitive price with high quality materials .

**High quality:** We have strictly quality control during all production from raw materials to the finished machine.

**High efficiency :** All machines parts are made by ourselves, so it's convenient to control the time schedule and quality timely.

## ETON Group : R&D smt machine supplier

### Our Market

ETON as the leading manufacturer of global optoelectronic high speed pick and place machine, the products are exported more than 20 countries and regions, including India, Vietnam, Tunisia, Egypt, Turkey, Russia, Thailand, etc.

### RFQ

#### 1.What's the terms of payment? What about the trade term?

T/T is OK. You can choose FOB Shenzhen.

#### 2.Choose which mode of transportation?

Our modes of transportation are flexible, including water, land and air transportation.

#### 3. Do you have oversea after sale service?

We can offer technical support abroad. If you have any technical problem, our engineers will support you promptly.

#### 4.This is the first time I use this kind of machine, is it easy to operate?

There is english manual or guide video that show you how to use machine.

If you still have any question, please contact us by e-mail / skype/ phone /trademanager online service.

#### 5.What your main customers?

We have exported machine to different countries,such as India,Egypt,Korea,Turkey,Brazil etc.

Such as FSL,ETI,KONKA,OPPLE,MLS are our client,In india such as RK,Surya,skyquad are our client.
