

Customized Solder Paste Mixer 1000 Rpm Manually Control Fixture

Our Product Introduction

for more products please visit us on smtmountingmachine.com

Basic Information

- Minimum Order Quantity: 1 set
- Packaging Details: Packing in film package and foam cotton, and covering vacuum bag within sturdy wooden boxes.
- Delivery Time: 30 days
- Payment Terms: T/T
- Supply Ability: 50 sets per month

Product Specification

- Warranty: 1 Year
- Product Name: Solder Paste Mixer
- Weight: 35KG
- Dimension: 400*400*420mm
- Stir Two Cans Of Solder Paste At The Same Time: 500g
- Operating Voltage: AC 220V 50Hz 60Hz >60W
- Maximum Speed: 1000 Rpm
- Operating Speed: Motor 1350 RPM Revolution: 1000RPM
Rotation: 500PRM
- Highlight: **customized Solder paste mixer, Solder paste mixer 1000 rpm, manual control Solder paste mixer**

Product Description

Manually control fixture can be customized Solder paste mixer

The machine features:

Maximum speed can reach 1000 rpm
 When stirring, it is necessary to de-ice the solder paste beforehand;
 Do not have to open the container;
 Power single phase 220v;
 No gas problem;
 Does not destroy the shape of tin powder;
 Fixtures are suitable for all kinds of 500g packaging solder paste cans;
 Mixing time can be set arbitrarily;
 Has manual speed control function

Item	Solder paste mixer
Dimension	400x400x420mm
Weight	About 35KG
Operating Voltage	AC 220V 50Hz 60Hz >60W
Operating speed	Motor 1350 RPM revolution: 1000RPM Rotation: 500PRM
Working capacity	500 g. Syringe, red plastic tube, etc. the fixture can be customized.
Stir two cans of solder paste at the same time	500g

Our advantage

Focusing on SMT high speed pick and place machine more than 20 years
 The products exported to more than 30 countries and regions, including South Korea, India, Vietnam, Tunisia, Egypt, Turkey, Russia, Brazil etc.
 ETON obtained 9 invention patents, 112 practical patents, 12 software copyrights of intellectual property technologies, to be a leading manufacturer of SMT trade.

Eton automation equipment company is a leading manufacturer in SMT machine for LED products which accounted to 80% market. Have a 50000 square meters industrial park in Jiangxi province.

Certificates

Our certificates

• 9 Invention Patents

• 12 Software Patents

• 112 Practical Patents

Market

As for the 11 years trade with more than 30 countries with our SMT high speed pick and place machine, we have come into business with many partners:

Service

Maintenance period 1 year

One year warranty during warranty any parts that need to be repaired and replaced will be free.

Software and hardware lifetime maintenance

Free upgrade software, the software is Reach and developed by ETON, so we support whole lifetime free upgrade updates.

Visit customers regularly and gather information

Visit clients regularly. We attend the different exhibitions in different cities every year, at the same time, we will visit local clients and support our service and collect feedback on customer suggestions in time.

Provide the latest information about technology and equipment

We give professional technology suggestions to our clients. And share the updated news with our clients

On-site service

We have some official site in India as Mumbai and New Delhi, also have site in Egypt, Turkey that can provide service timely with our engineers.

According to your needs, dedicated senior engineer will come to your factory for free install and training you how to operate the machine.

Q. Can I go and see if you have sold the equipment to India?

A. Yes, we have sold our machine in India, but for the fact we can't decide it for my customer, but I will try to contact my customer. Hope you can understand, because no one wants their competitors to visit their manufacturing site.

Q. How many products can your machine make per day?

A. The capacity of our machine is according to the real products, and the number of components on your PCB board that is important factor to figure out the actual speed of our machine with your products.

Q. What is your merits of the machine to others production?

A. Initially, we have a strong R&D department for studying our productions, and our clients can enjoy free up-grade of the machine to get latest information about technology and equipment, besides, we have a 52000 square meters industrial park to serve the production, assembly, and commissioning of our machines.

Q. If I need a perfect line of the machine can you supply?

A. Yes, for the requirements of a whole line for production, we have professional equipment to make up for a perfect production line for your products, on account of we have a 50000 square meters of industrial park and excellent R&D staff, which can produce 50 sets of machine per month.
