## 500000 CPH LED Strip Light Making Machine Super High Speed ETON SMT Supplier

### Our Product Introduction

for more products please visit us on [smtmountingmachine.com](http://smtmountingmachine.com)

#### Basic Information

- Place of Origin: CHINA
- Brand Name: ETON
- Certification: CCC/CE
- Model Number: T9-2S

#### Product Specification

- Machine Name: Pick And Place Machine/led Lighting Production Line
- Model: T9-2S
- Capacity: 500000 CPH
- Brand: ETON
- Highlight: Super Speed Strip Light Making Machine, 500000 CPH LED Strip light making machine, High Speed Strip Light Making Machine

## Product Description

### LED Strip light making machine ETON SMT supplier

#### Machine parameter

##### PCB:

Suitable for max pcb width 250( $\pm 10$ )mm, and any length(5m/25m/50m/100m/etc)

Suitable for 0.1-0.5mm pcb thickness

PCB Clamping mode is vacuum adsorption, cylinder clamping, track width adjustable

Mounting way: Group picking and group placing

##### Mounting speed:

The theoretical speed is 500000 CPH, Double side :500000 CPH, Single side 250000 CPH

No.of Feeder station: Double side 136 PCS, Single side 68 PCS

No.of Heads: Double side 136 PCS, Single side 68 PCS

Dimension: 3454\*3035\*1777 mm with 3100kg

#### Machine features

1. This model is super high speed chip mounter for led strip light, it is designed to double mounting heads with double conveyor belt line, so it is suitable for produce two FPCB LED Strip light at the same time
2. Save much space with same high speed level capcity.
3. Specially for manufacturing Strip light
4. Could produce two different pcb design at the same time with dual system dual computer

T9-2S two belt line smt production

#### Client factory showing

#### ETON Factory showing

ETON as the top smt brand in China, we have more than 50000 square meters industry park with 300 workers in all over the world.

#### FAQ

1. What is the final product ?

A: Pick and place machine function is mounting smd components on the pcb, the final product is PCBA

2. Do you provide from A to Z solution for led strip light?

A: We supply whole smt line,include: Stencil printer machine, Pick and place machine, Reflow oven machine, Conveyor, etc

3. Could you arrange engineer to our factory for machine install and training?

A: Yes, we will sent engineer for machine install and training after you buy our machine
