

## 6KW Low Energy SMT Pick Place Machine 98000CPH For Power Driver Household Appliance

### Our Product Introduction

for more products please visit us on [smtmountingmachine.com](http://smtmountingmachine.com)

#### Basic Information

- Place of Origin: Guangdong China
- Brand Name: ETON
- Certification: CCC
- Model Number: YT202
- Minimum Order Quantity: 1 sets
- Delivery Time: 30 days
- Payment Terms: T/T

#### Product Specification

- L\*W\*H: 2317\*1376\*1762
- Repeat Precision:  $\pm 0.02\text{mm}$
- Pcb Size: Max:500\*450mm single 500\*300mm double
- Highlight: **Pick Place Machine 6KW,  
Power Driver Pick Place Machine,  
Power Drivers SMT Pick Place Machine**

## Product Description

### ETON Brand Low Energy SMT Pick And Place Machine 98000CPH

#### 一. Product Description

YT202 is our honor sereis, reaching 90000 capacity per hour, suitable for all kinds of products like power driver, household appliance and so on. The minimum mountable component can be very wide, ranging from the ultra small chip 0201 to the large chip that is 10mm.

Each mounting module has 10 spindles, every high-speed and intelligent with light compact design.

Adopt High-end magnetic linear motor, servo motor and multi function modular head, the capacity increased by 25% compared with traditional machines.

#### 二. Parameters

Brand Name	ETON
Model Name	yt202
Length*width*height	2317*1376*1762
Weight	1700kg
capacity	90000CPH
voltage	380AC 50HZ 6KW
No of camera	4 SETS
No. of head	double sides:20pcs,single side:10pcs
No. of feeder station	double sides:32pcs,totaltape reel package:64pcs single side: 16pcs,total tape reel package:32
Warranty	1 year

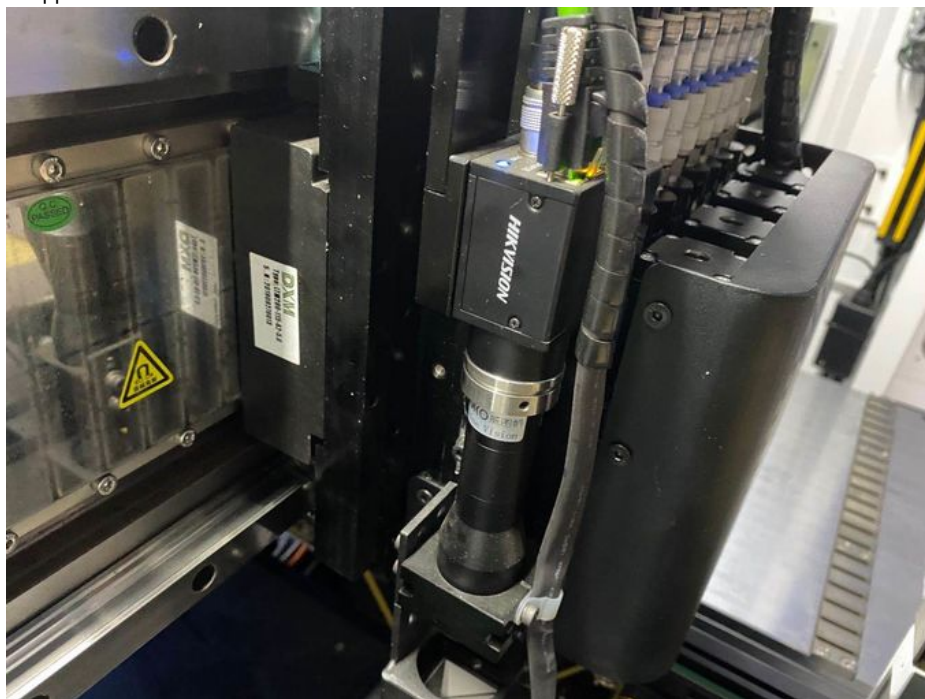

#### 三. Aparts details

##### Head Flight Vision recognition camera

can recognize components with size less than 10mm high-speed and high-precision identification.

##### 1. Mark recognition camera

high -precision recognition system, adopting 3-color illumination recognition, apply to any shape Mark and lens, wider range of applications.

##### 2. fixed high pixel flight vision camera

can quickly captures multiple head images at once,performing visual calibration of image position, adjustable light source brightness

#### 四. Company belief

Eton just took 10 years to be the top smt machine supplier in China, which attest the ability of eton in the smt field. The domestic market share and our exports to more than 30 countries again corroborate the credibility of eton to make you satisfied.

Eton is not only in the leading position in the photoelectric high-speed smt machine, but also has made breakthrough progress in the field of high-speed placement machines, which are widely used in lighting, LED display, electronics field, power deriver, home appliance, new energy and other industries.

Eton aims to "build a world- class enterprise, and is committed to continuously providing the market with products and services that are "more intelligent, more professional, more efficient, and lower consumption. "

#### 五. Package and Delivery

Packaging: standard export packaging or customized packaging.

Step 1. Pack the machine with foam cotton and then stretch the film to protect the outside of the machine

step 2. Put the desiccant in the vacuum trag to prevent moisture

Step 3. Professional wooden box packing

#### 5. service

Pre-sale:

- A. Provide professional advice on SMT production line.
- B. Recommend the most suitable model according to the product.
- C. Provide the best quotation at ex-factory price

After-sales:

- A. Before shipment, the machine will be tested.
- B. Provide machine-free installation training, video training and online training.
- C. Professional after-sales team, solve problems in the first time.
