No wire strip assembly LED Automatic strip Cutting machine 220V 50-60HZ

Our Product Introduction

for more products please visit us on smtmountingmachine.com

Basic Information

- Place of Origin: CHINA
- Brand Name: ETON
- Certification: CE, CCC, SIRA
- Model Number: ET-550
- Minimum Order Quantity: 1 set
- Packaging Details: vacuum adsorption, wooden packing
- Delivery Time: 30 days after receive the down-payment
- Payment Terms: T/T
- Supply Ability: 50 sets per month

Product Specification

- Warranty: 1 Year
- Condition: New
- Product Name: Strip Cutting Machine
- Usage: LED
- Local Service: India Egypt Vietnam
- Brand: ETON

Product Description

LED Automatic strip Cutting machine----ET-550

Introduction of products:

At present the industry upgrading process, many customers use lights connected to the 5 meter board solder, improve product quality and improve production efficiency, but the consistency of light bar edge width requirements higher, easy to strip butt welding plate, solve weld, false welding, welding fracture problems. Automation equipment R & d after repeated tests, the grand launch of ET-550 plate with double-sided adhesive machine.

Product features:

High efficiency: hourly capacity of 10000 meters, about 900 puzzle board;

High quality: plate lamp, strip edge, incision uniformity, easy to light strip welding position, convenient positioning;

The provincial Manual: a machine can replace the 3 manual workload;

Easy to operate: the lamp positioning, convenient, fast, efficient, single operation;

Reduce costs: equipment one-time investment, long-term use;

Wide use: one machine, multi-purpose, applicable to the mainstream FPC board, including: soft light bar, S type light bar, panel light.

Company

Company five level management policy: sincere business, focus on R&D, manufacturing intentions, considerate service, customer trust.

"No worries"after sale service concept: the Pearl River Delta region to arrive within 4 hours, day to solve; Guangdong Province 24 hours.

Eton mission: professional, excellent technology, sharing the results.

Eton goal: to create a national brand, build international Chinese enterprise.

Eton purpose: to create value for customers, creating benefits for society.

Certification

ETON obtains a number of intellectual property technologies, including 9 invention patents, 112 Practical patents, 12 software copyrights. ETON is rated as "Shenzhen high-tech enterprise" "Guangdong high-tech enterprise" "China high-tech enterprise" "Shenzhen TOP Brand" "2015 LED Technology Innovation Award" "The 4th China LED First Innovation Award"

"Industry Special Contribution Award" etc.

Clients:

ETON as the leading manufacturer of global photo electronic high speed pick and place machine, the products are exported more than 20 countries and regions, including India, Vietnam, Tunisia, Egypt, Turkey, Russia, Thailand, etc. Take India as an example, We have many big clients in India, Such as RK, SURYA, Fiem, Calcom, POLYCRB, etc. We have sold over a hundred machines to India.

Service

1. Before order:

We will support professional suggestion of SMT line

We will recommend the best module according to the products

We will supply best quotation with factory price

2. After order:

Machine will have good test and aging before shipping

We support machine free installation and training, special time we support online training, and video teaching.

We have Professional after-sales team, could solve problem as soon as possible

Machine warranty is one year, during warranty, any parts need to be repaired and replaced will be free for clients.

FAQ

Q: How is the training?	A: After purchasing our machines, you can send your engineers to our factory, or we send our engineers to your factory, and then we will train your personnel to operate these machines. Online training and video tutorials. During the epidemic, if our engineers can't make it through, we also have special one-on-one online training and video tutorials.
Q: What kind of machine will provide besides pick and place machine ?	A: ETON as the largest manufacturer of SMT machine in China, we provide whole SMT line, such as reflow oven, printer, conveyor, pick and place machine, Loader, Unloader, etc.
Q: What is your actual speed of your products?	A: For the actual speed of the machine which is constrained by many factors, that related to the number of the components, the time to send PCB board and receive the board that will have influence on the speed when in production, and is decide for the actual products and needs.
