

## High Frequency SMT Machine Japan Misumi industrial belt For LED Soft Strip Light

Our Product Introduction

for more products please visit us on [smtmountingmachine.com](http://smtmountingmachine.com)

### Basic Information

- Place of Origin: CHINA
- Brand Name: ETON
- Certification: CE, CCC, SIRA
- Model Number: ET-800
- Minimum Order Quantity: 1 set
- Packaging Details: vacuum adsorption, wooden packing
- Delivery Time: 30 days after receive the down-payment
- Payment Terms: T/T
- Supply Ability: 50 sets per month

### Product Specification

- Warranty: 1 Year
- Condition: New
- Type: SMT Machine Related Products
- Usage: LED
- Name: LED Welding Machine For Soft Light Strip Plate
- Drive Mode: Japan Misumi Industrial Belt
- Highlight: **SMT Machine For LED Strip ,  
SMT Machine For Soft Strip ,  
SMT Machine For Strip Light**

## Product Description

### Welding machine for LED soft strip light---ET-800

#### Product Brief:

ET-800 LED Soft light strip plate Welding machine is a dedicated automatic welding equipment for 5 meter LED strip welding, according to the characteristics of LED equipment 5 meters depth of humanization design, engaged in a variety of different solder joints instead of manual soldering work, solve the manual welding of weld solder joint is not uniform, and other phenomena, and compatible with a variety of types of LED soft strip size of welding, simple operation and high practicability, quality stability, greatly enhance the efficiency.

#### Product advantages:

Simple programming, operation control box mobile head position.

Welding speed, high efficiency, a solder machine can save 5-6 people

Save tin wire, good consistency of solder joint

High power heating controller ensures the stability of continuous welding

The utility model relates to a double head fine tuning welding gun structure, which is convenient for regulating the welding torch spacing and synchronous operation

Multi axis manipulator, advanced motion control algorithm, to improve the kinematic positioning accuracy and repeatability accuracy

According to the professional design of the lamp batten, it is convenient for manual feeding and feeding

Production efficiency: 1800-2000 meters /H.

It can replace the manual process and optimize the quality control.

Improve efficiency, save manpower, simple operation, new staff can achieve the welding effect of skilled workers

#### Scope of application:

LED soft light plate soldering machine application range: suitable for LED monochromatic light, 5050 RGB lamp string, lamp belt, lamp strip and other products

#### Technical parameters:

Item	parameter
Device name	LED welding machine for soft light strip plate
Model	ET-800
control mode	32 position DSP
Welding head	2 iron heads work at the same time
Working stroke	X axis 350MM,Z axis 150MM,platform 1000MM
Repeatability accuracy	±0.05mm
Equipment power	600w
Power Supply	220V,50-60HZ
weight	100KG
Size	1600*1200*1400(Length*Width*Height)

#### Company introduction

Company five level management policy: sincere business, focus on R&D, manufacturing intentions, considerate service, customer trust.

"No worries"after sale service concept: the Pearl River Delta region to arrive within 4 hours, day to solve; Guangdong Province 24 hours.

Eton mission: professional, excellent technology, sharing the results.

Eton goal: to create a national brand, build international Chinese enterprise.

Eton purpose: to create value for customers, creating benefits for society.

### Clients

We worked with many brands, and received a lot good reputations because of our excellent services and good quality products .

We cherish each opportunity to service for all our customers, aimed to a long term cooperation .

### Packaging

All machines are packed with vacuum and wooden packing like the one in the pictures.

Step 1. Film packaging

Prevent the machine from dust ,water,crash and shaking.

Step 2. Add foam+film packaging

Double safe protection,Prevent the machine from crash and shaking.

Step 3. Unique tin foil packaging

Add tin foil packing can prevent the film from scratch broken.

Step 4. customized Strong wood carton packing

The customized strong wood packing for ocean ship,The machines are fix oi in the wood carton, effectively prevent collision and shock.

### Service

#### Maintenance period 1 year

One year warranty. during warranty. any parts that need to be repaired and replaced will be free.

#### Software and hardware lifetime maintenance

Free upgrade software, the software is Reach and developed by ETON, so we support whole lifetime free upgrade updates.

#### Visit customers regularly and gather information

Visit clients regularly. We attend the different exhibition in different cities every year, at the same time, we will visit local clients and support our service and collect feedback on customer suggestions in time.

### **Provide the latest information about technology and equipment**

We give professional technology suggestions to our clients. And share the updated news with our clients

### **On-site service**

We have some official site in India as Mumbai and New Delhi, also have site in Egypt, Turkey that can provide service timely with our engineers.

According to your needs, dedicated senior engineer will come to your factory for free install and training you how to operate the machine.

### **FAQ**

#### **Q: Does your machines have quality certificate?**

A: All of the machines have passed CE, SIRA and CCC certificate and have own patent.

#### **Q: What is the payment method?**

A: We support T/T payment.

#### **Q: When is the delivery time?**

A: Delivery within 30 days after payment.

#### **Q: What is the shelf life?**

A: 1 year warranty.

#### **Q: What are the main LED products our machines for?**

A: There are different machines in our company and different machines apply to different LED lights. The main products we can apply: bulb tube strip lamp panel. Down light, streetlight, ceiling light, wall washer light and so on.
