45000CPH SMD Mounting Machine 1200*500mm PCB SMD Assembly Machine

Our Product Introduction

For more products please visit us on smtmountingmachine.com

Basic Information

- Place of Origin: CHINA
- Brand Name: ETON
- Certification: CE,CCC,SIRE
- Model Number: HT-E8S-1200
- Minimum Order Quantity: 1
- Price: USD30000~70000
- Packaging Details: WOODEN CASE
- Delivery Time: 30 DAYS
- Payment Terms: T/T,LC
- Supply Ability: 50/PER MOUNTH

Product Specification

- Product Name: Smt Pick And Place Machine
- Machine Dimension: 1600*2100*1400mm
- Components Range: 0402, Led Chips, Resistors, Capacitors, Etc
- Mounting Height: 15mm
- PCB Thickness: 0.5-5mm
- Feeder Capacity: 8mm/12mm/16mm/24mm
- Power Supply: 380V/50Hz
- Power: 3KW
- Applicable Components: 0402,SOP,QFN,IC,0805
- Warranty: 1 Year
- Application: SMT Production Line,LED Pick And Place,smd Pick Place,LED Production
- Condition: 100% Original

Product Description

Product Description:

This SMD Mounting Machine is a SMD placement machine and SMD assembly automation device, which is widely used in electronic industry for SMD placement. Our SMD Mounting Machine is designed to improve production efficiency and reduce labor cost. It has a total weight of 1800KG, and the power supply required is 380V/50Hz. The voltage is 220V, and it can be equipped with 8mm/12mm/16mm/24mm feeder. The machine dimension is 1600*2100*1400mm.

This SMD Mounting Machine is able to perform SMD placement accurately and quickly. It features high precision, high speed and high reliability. It is easy to operate and maintain, and offers stable and efficient operation. It is an ideal choice for users who need a reliable and efficient SMD placement machine.

Our SMD Mounting Machine is suitable for mass production in electronic industry. It is reliable and cost-effective. It provides a reliable and efficient solution to your SMD placement needs. With its high speed and accuracy, it is the perfect choice for your SMD placement work.

HT-E8S-1200/600

Single Module Pick and Place Machine

High Capacity

12 heads pasted on the PCB board at the same time, maximum mounting speed 45000 CPH

Powerful Functions

LED light, Power driver, electric board, lens, linear bulb, household appliance, fluorescent light, bulb, ceiling light, panel light, cast light lamp, mining lamp, down light, flexible light strip, tube etc.

Features:

Automatic SMD Mounting Machine with Machine Dimension of 1600*2100*1400mm, Feeder Capacity of 8mm/12mm/16mm/24mm and Weight of 1800KG.

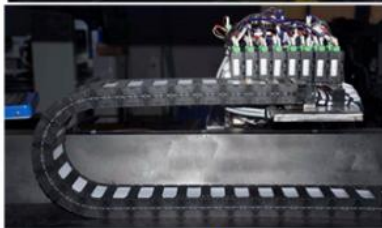

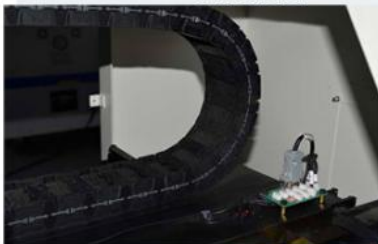

Provides Mounting Speed of 45000CPH.

Suitable for Components Range of 0402, Led Chips, Resistors, Capacitors, Etc.

High Quality SMD Placement Machine and SMD Mounting Automation System.

▲ **X,Y,Z DRIVE WAY**
Magnetic linear motor
Servo motor

▲ **Dragon Chain**

PCB size:1200*350mm
Speed:45000CPH

Mounting components:
led,capacitor,resistor,IC,
shaped components,etc.

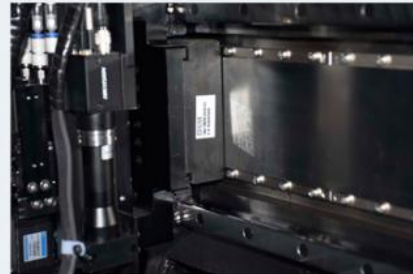

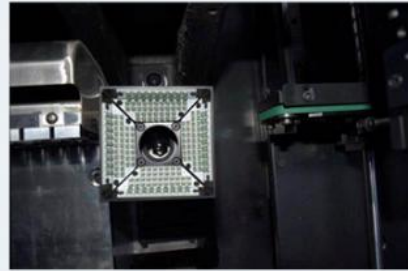

○ X,Y,Z Axis Drive way:
Magnetic linear motor
Servo motor

○ Software:R&D Independently
Free updates for life

Cameras ▼

2 sets of imported cameras
Vision for the flight identification
Mark corection

Electric Installation ▼

SMT Electrical components
Import from Japan
Ensure high accuracy and high stability

Technical Parameters:

Parameter	Specification
Machine Dimension	1600*2100*1400mm
Components Range	0402, Led Chips, Resistors, Capacitors, Etc.
PCB Thickness	0.5-5mm
Weight	1800KG
Power Supply	380V/50Hz
Mounting Speed	45000CPH
Mounting Height	15mm
PCB Size	100*100mm-1200*500mm
Voltage	220V

Mounting Accuracy $\pm 0.02\text{mm}$

Applications:

The ETON HT-E8S-1200 Automatic SMD Mounting Machine is a high-end, reliable, and efficient SMD placement machine that is certified by CE, CCC, and SIRE. It comes in a WOODEN CASE and can be delivered within 30 DAYS with payment methods of T/T or LC. It has a maximum supply capability of 50/PER MOUNT. This machine runs on 220V and can achieve a mounting speed of 45000CPH, with a power supply of 380V/50Hz. It has a dimension of 1600*2100*1400mm and a mounting accuracy of $\pm 0.02\text{mm}$.

Support and Services:

SMD Mounting Machine Technical Support and Service

We are committed to providing our customers with the highest quality technical support and service. Our experienced technicians are on hand to provide assistance with any technical issues you may have with your SMD Mounting Machine. We understand that our customers rely on our machines for their production, so our team is dedicated to providing a prompt, knowledgeable response to any inquiries.

Our technical support and service includes:

Troubleshooting and diagnostics for any technical issues

Software updates and upgrades

Hardware repairs and maintenance

Training and education on the use and operation of the machine

Access to our online customer support portal

If you have any questions or concerns about your SMD Mounting Machine, please do not hesitate to contact our team. We are here to help!

FAQ:

Q&A about ETON HT-E8S-1200 SMD Mounting Machine

Q: What is the Brand Name of ETON HT-E8S-1200 SMD Mounting Machine?

A: The Brand Name is ETON.

Q: What is the Model Number of ETON HT-E8S-1200 SMD Mounting Machine?

A: The Model Number is HT-E8S-1200.

Q: Where is the Place of Origin for ETON HT-E8S-1200 SMD Mounting Machine?

A: The Place of Origin is CHINA.

Q: What are the Certifications for ETON HT-E8S-1200 SMD Mounting Machine?

A: The Certifications are CE, CCC, SIRE.

Q: What is the Minimum Order Quantity of ETON HT-E8S-1200 SMD Mounting Machine?

A: The Minimum Order Quantity is 1.

Q: What is the Price Range for ETON HT-E8S-1200 SMD Mounting Machine?

A: The Price Range is USD30000~70000.

Q: What is the Packaging Details for ETON HT-E8S-1200 SMD Mounting Machine?

A: The Packaging Details is WOODEN CASE.

Q: What is the Delivery Time for ETON HT-E8S-1200 SMD Mounting Machine?

A: The Delivery Time is 30 DAYS.

Q: What are the Payment Terms for ETON HT-E8S-1200 SMD Mounting Machine?

A: The Payment Terms are T/T,LC.

Q: What is the Supply Ability for ETON HT-E8S-1200 SMD Mounting Machine?

A: The Supply Ability is 50/PER MOUNTH.
