220V SMD Mounting Machine 8/12/16/24mm Feeder Capacity With Automation System

Our Product Introduction

For more products please visit us on smtmountingmachine.com

Basic Information

- Place of Origin: CHINA
- Brand Name: ETON
- Certification: CE,CCC,SIRE
- Model Number: HT-E8S-1200
- Minimum Order Quantity: 1
- Price: USD30000~70000
- Packaging Details: WOODEN CASE
- Delivery Time: 30 DAYS
- Payment Terms: T/T,LC
- Supply Ability: 50/PER MOUNTH
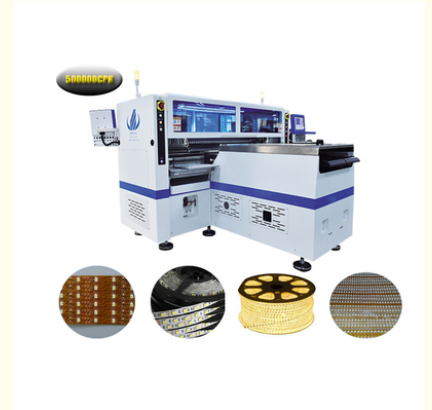

Product Specification

- Mounting Speed: 45000CPH
- Power: 3KW
- Power Supply: 380V/50Hz
- Mounting Accuracy: ±0.02mm
- PCB Thickness: 0.5-5mm
- Weight: 1800KG
- PCB Size: 100*100mm-1200*500mm
- Machine Dimension: 1600*2100*1400mm
- Highlight: **220V SMD Mounting machine**,
  SMD Mounting machine 3KW,
  LED Chips SMD Mounting machine

Product Description:

This Automatic SMD Mounting Machine is designed to perfectly suit the requirements of electronic components assembly. It is an SMD mounting automation system with a wide range of components capacity, including 0402, LED chips, resistors, capacitors, etc. The mounting height of this machine is up to 15mm, and the mounting accuracy is ±0.02mm. Moreover, this machine is of light weight, only 1800KG, and its voltage requirement is 220V. With this Automatic SMD Mounting Machine, the assembly process can be greatly optimized and the time and labor cost can be effectively reduced.

Features:

SMD Assembly Automation Device: SMD Mounting Machine
Machine Dimensions: 1600*2100*1400mm
Weight: 1800KG
Feeder Capacity: 8mm/12mm/16mm/24mm
PCB Thickness: 0.5-5mm
Components Range: 0402, Led Chips, Resistors, Capacitors, Etc

Applications:

SMD Mounting Machine for Automation System

Eton HT-E8S-1200 SMD Mounting Machine is a kind of automatic SMD mounting machine with high performance, coming from China and certified with CE, CCC, SIRE. It is an ideal choice for automation system with its components range of 0402, LED chips, resistors, capacitors and so on. The price of this machine ranges from USD30000 to 70000 and one of the minimum order quantity is 1. It is packed in wooden cases for delivery in 30 days with payment terms of T/T, LC. And the supply ability of the machine is 50 per month. The SMD mounting machine is powered by 3KW and has a machine dimension of 1600*2100*1400mm. With its high mounting accuracy of ±0.02mm, it is capable of fulfilling automation system needs for SMD mounting.

Support and Services:

SMD Mounting Machine Technical Support and Service

At ABC Company, we provide comprehensive technical support and service for our SMD Mounting Machines. Our team of experienced engineers and technicians are available to provide assistance with installation, maintenance, troubleshooting and repairs.
We offer a wide range of services, including on-site maintenance, remote diagnostics, spare parts replacement, and training sessions for operators. Our team is available 24/7 to answer any questions or concerns you may have regarding your SMD Mounting Machine.
We strive to ensure that our customers have a positive experience with our products and services. If you experience any problems or have any questions, please don't hesitate to contact us.

Packing and Shipping:

Packaging and Shipping of SMD Mounting Machine

The SMD Mounting Machine will be shipped in a cardboard box with foam inserts to protect the product during transport. The box is designed to fit the size and weight of the product. The box will be marked with the product name, model number, and the shipping address.
The SMD Mounting Machine will be shipped by a reputable courier service. The courier will provide tracking information and delivery confirmation. The customer will be notified when the shipment is dispatched and when it is delivered.

FAQ:

Q1: What is the Brand Name of the SMD Mounting Machine?
A1: The Brand Name of the SMD Mounting Machine is ETON.
Q2: What is the Model Number of the SMD Mounting Machine?
A2: The Model Number of the SMD Mounting Machine is HT-E8S-1200.
Q3: Where is the SMD Mounting Machine made?
A3: The SMD Mounting Machine is made in China.
Q4: What are the certifications for the SMD Mounting Machine?
A4: The certifications for the SMD Mounting Machine are CE, CCC, SIRE.
Q5: How much does the SMD Mounting Machine cost?
A5: The SMD Mounting Machine costs between USD30000~70000.
