HT-E8D Dual Module SMT Mounting Machine Professional Support & 1 Year Warranty

Our Product Introduction

for more products please visit us on smtmountingmachine.com

Basic Information

- Place of Origin: CHINA
- Brand Name: ETON
- Certification: CE, CCC, SIRA
- Model Number: HT-E8D-1200
- Minimum Order Quantity: 1 set
- Packaging Details: vacuum adsorption, wooden packing
- Delivery Time: 30 days after receive the down-payment
- Payment Terms: T/T
- Supply Ability: 50 sets per month

Product Specification

- Warranty: 1 Year
- Applicable Components: 0402
- Name: SMT Pick And Place Machine
- Condition: 100% Original, Brand-new
- Weight: 2500kg
- Mounting Speed: 90000 CPH
- Feeders: 28
- Tape Width: 24mm, 8mm, 12mm
- Highlight: SMT Mounter Machine with dual module, SMT Mounter Machine with dual system, Professional SMT Mounter CE

Product Description

High Speed Multi-functional Pick and Place Machine Chip shooter

Product Description

1. HT-E8D SMT pick and place machine is for led, lens, capacitors, resistors, IC, Shaped components, etc. Apply to Led lamp manufacturer, PCB production line etc .
2. HT-E8D is a dual module dual system multi-functional SMT pick and place machine.
3. At the same time the production of two different products. Vision for the flight identification, mark correction. And it's identified the correct position by camera. So it's high precision and good stability.

Specific technical parameter

Dimension (L*W*H)	3150*2250*1650 mm
Total weight	2500kg
PCB Length width	Max:1200*300mm Min:100*100mm
PCB thickness	0.5-5mm
PCB clamping	Adjustable pressure pneumatic
No.of feeders station	Double module 48 PCS
No.of head	Double module 24PCS
Mounting speed	90000 CPH
Conveyor transmission	Max length 1200 mm

Product details

Excellent Remarkable

- ⇨Dual system,dual modal
- ⇨To produce two different products at the same time
- ⇨High precision $\pm 0.04\text{mm}$
- ⇨Easy operate:English interface option

Main Product Information

- Feeder Station:48 PCS
- Nozzles:24 PCS
- Mounting Speed:90000CPH
- Drive way:High-end magnetic linear motor+servo motor

Finished Product

Our services

1. Before sales

Our sales specialist will analyze and recommend the equipment and production line best for you and Provide exclusive and customized services.

2. Under sales

Specialist sale tracks the equipment production and transport situation in time, ensure that the equipment arrives at customers in good condition, and provide professional technical guidance for equipment assembly, and part of areas provide door-to-door service for overseas engineers.

3. after sales

One-year warranty period, sales specialist to answer questions online 24 hours; regularly visit customers to understand the working status of equipment.

Ship and package

1) shipping: Within 30 days after payment

2) Packaging: Standard export package or customized package

The semi-automatic production line

Solder paste printing machine,conveyor, Pick and Place machine, reflow oven.

DOB

LED chip board

Power driver

Electric board

Display

Table light

LED bulb

Spot light

Main process of DOB manufacturing:

Step 1: Print Solder paste on PCB

Step 2: Mounting LED chip and capacitor big components on PCB.

Step 3: Heating solder paste with PCB to welding together the component with PCB

Company information

Company

- 1: 50000 square meters industrial park ensure the brand effect and present company strength.
- 2: Own manufacturing center, equipped with an advanced processing and manufacturing center, strict quality control, and standardize production, streamline production processes make our machines has high quality standard and strong supply capacity.
- 3: More than 10 years LED lighting field experiences sharing, provide the most suitable SMT program to every client

Production

Own manufacturing center, equipped with an advanced processing and manufacturing center, strict quality control, and standardize production, streamline production processes make our machines has high quality standard and strong supply capacity.

Research

Independent research and development, make the software and machines has best program. And can provide the whole life free update on software.
Own design and produce feeders make the machines' stability and long-life feeding and good performance.

FAQ

1) Do you have oversea after sale service?

We can offer technical support abroad. If you have any technical problem, our engineers

will support you promptly.

2) How is the training?

After buying our machines, you can send your engineers to our factory, or we send our engineer to your factory, and then we will train your people to operate these machines.

3) It's hard to use the machine?

No, not at all. For our previous clients, at most 5 days is enough to learn to operate the machines.

4) Does your machines have quality certificates?

We are high-tech enterprise with CE,SIRA,CCC ,ISO awarded as "Well-know brand" and many technology patents, and have rich experience(more than 8 years) in LED light production line program.

5) What's the terms of payment? What about the trade term?

T/T is OK. You can choose FOB Shenzhen.
