

Simple Operation Adhesive Tape Machine For Soft Light / Hard Light / S Lamp / Lamp Panel

Our Product Introduction

Basic Information

- Place of Origin: China
- Brand Name: ETON
- Certification: CE,CCC,SIRA,ISO
- Model Number: ET-600
- Minimum Order Quantity: 1 set
- Packaging Details: Packing in film package and foam cotton, and covering vacuum bag within sturdy wooden boxes.
- Delivery Time: 30 working days
- Payment Terms: T/T
- Supply Ability: 50 sets per month

Product Specification

- Warranty: 1 Year
- Name: ET-600
- Application: LED Soft Strip
- Power Supply: 220V,50-60HZ
- Condition: New
- Product Name: LED Adhesive Tape MACHINE
- Weight: 70KG
- Dimension: 1800*400*1100MM
- Highlight: Adhesive Tape Machine For Soft Light,
Adhesive Tape Machine For Hard Light,
Adhesive Tape Machine For S Lamp

Product Description

Instead of 6-8 people's work output, simple operation adhesive tape machine

Product introduction:

According to the customer requirements, to solve the soft light, hard light, S lamp, lamp panel, LED backlight and other products with the consistency of the quality cost of artificial gum, difficult problem, this equipment after repeated research, testing, the grand launch of ET-600 plate with double-sided adhesive machine.

Product features:

High efficiency: 5 meter soft light bar, for example, an hourly capacity of 5000 meters

High quality: double-sided adhesive non bias, the product qualified rate of 99%

The provincial Manual: a machine instead of 6-8 people's work output, simple operation

Reduce costs: save labor costs, save double-sided adhesive, easy to manage

Wide use: the use of a machine, suitable for various LED sticking gum product

Product function:

Can realize a variety of products automatically paste double-sided adhesive function;

The machine feeding can be fully automatic, semi-automatic switching;

Glue height adjustable, can be changed according to different product height;

Double-sided adhesive width adjustable, can adjust the width of double-sided adhesive according to different product sizes, can be arbitrarily switched;

It can realize single or multi stick double glue at the same time, and the efficiency is higher.

Parameter:

Voltage: 220V 50-60HZ

Power: 40W

Weight: about 70KG

Size: length 1800*, width 400*, height 1100MM (adhesive product length is not limited);

Certificates

As an experienced manufacturer in SMT machine, we obtained a number of intellectual property technologies, including 9 invention patents, 200 practical patents, 49 software copyrights, with our won R&D department for production and inspection. And also earned the oversea certificates as CE, CCC, SIRA, etc.

Our Certification

• 9 Invention Patents

• 12 Software Patents

• 112 Practical Patents

Shipping and Delivery

We usually transport the goods to the port in containers and then ship them to the destination. For the transportation of machines, land transportation and air transportation are also possible.

Air freight:

for urgent good, and it is the most expensive transportation way;

Land transportation:

suitable for inland countries and it is affordable;

Noah+8613632769526

Shipping:

It's suitable for heavy goods, and the convenience and lower cost of shipping which is easy for clients to accept the arrival time of the goods.

Related machine

We can provide a whole SMT production line, led light production line:

1. Pick and place machine
2. Loader machine
3. Conveyor machine
4. Stencil printer machine
5. Reflow oven machine
6. Unloader machine
7. Solder paste mixer
8. Roll to roll led strip light assembly machine

FAQ

Q. Does your machines have quality certificates? A. We are high-tech enterprise with CE, SIRA, CCC, ISO awarded as "Well-know brand" and many technology patents, and have rich experience (more than 11 years) in LED light production line program.

Q. What is your actual speed of your products?

A. For the actual speed of the machine which is constrained by many factors, that related to the number of the components, the time to send PCB board and receive the board that will have influence on the speed when in production, and is decide for the actual products and needs.

Q. Can you accept CIF as the quoted price?

A. We only accept EXW as the quoted price for it is convenient and lower cost for both sides.
