

34PCS Head PCB Mounting Machine HT-F7S 180000CPH SMT Chip Mounter

Our Product Introduction

for more products please visit us on smtmountingmachine.com

Basic Information

- Place of Origin: CHINA
- Brand Name: ETON
- Certification: CE, CCC, SIRA
- Model Number: HT-F7S
- Minimum Order Quantity: 1 set
- Packaging Details: vacuum adsorption, wooden packing
- Delivery Time: 30 days after receive the down-payment
- Payment Terms: T/T
- Supply Ability: 50 sets per month

Product Specification

- Warranty: 1 Year
- Applicable Components: 0805,0603,1206
- Name: SMT Pick And Place Machine
- Application: SMT Production Line
- Condition: New,100% Original,Brand-new
- Product Name: Place Machine\ LED Mounter\LED Assembly Machine
- Mounting Speed: 180000 CPH
- Type: Automatic
- Usage: SMT Mounting Machine,LED
- Feeders: 68
- Highlight: **34PCS Head PCB Mounting Machine, 180000CPH SMT Chip Mounter, 34PCS Head SMT Chip Mounter**

Product Description

SMT mounter 180000CPH for tube/strip

Advantages

1. Efficient team: The best suggestions of full SMT line equipment according to your budget and site.
2. Competitive price: We are directly manufacture of the ETON pick and place machine, so we can give you the best competitive price with high quality materials.
3. High quality: We have strictly quality control during all production from raw materials to the finished machine.
4. High efficiency: All machines parts are made by ourselves, so it's convenient to control the time schedule and quality timely.

Machine main parameter

Length	2700mm
Width	2300mm
Height	1550mm
Total weight	1700kg
PCB size	Max:1200*330mm Min:100*100mm
PCB thickness	0.5-5mm
Mounting height	≤5mm
Mounting speed	180000CPH
No. of head	34PCS
Mounting precision	±0.02mm

Company profile

SHENZHEN Office

ETON Industrial Park

50,000 square meters

7 buildings

300 employees

assembly line

CNC workshop

Production line Exhibition hall

About the market:

85% of the large LED light production companies in China are our customers; we have offices, local engineers and showrooms in India, Egypt, Turkey, etc.

2. About the optimal capacity:

Our pick and place machine is suitable for different types of LED products, the fastest production capacity can reach 500000CPH.

3. About the certification:

Our machines currently have 132 patent certificates, such as: CCC, CE, SIRA, ISO, etc.

Service

What service can you provide?

- I Free installation
 - I Free training
 - I Free consult
 - I Free software upgrade
2. Do you have sale service?

We have strict management system and sale service.

- a. Pre-sale service: Every machine will be checked carefully before shipping out. Buyers should check the package once receiving.
- b. Sale service: The professional sales recommends the right machine for you, and the engineers can help you to quickly understand the status of machine.
- c. After-service: The complete machine has a warranty period of 12 months from delivery and lifetime maintenance service. We provide online Q/A and troubleshooting support and technical advice service. Provide one to one after-sale service.

Transport

All machines are packed with vacuum and wooden packing like the one in the pictures.

Step 1. Film packaging

Prevent the machine from dust ,water,crash and shaking.

Step 2. Add foam+film packaging

Double safe protection,Prevent the machine from crash and shaking.

Step 3. Unique tin foil packaging

Add tin foil packing can prevent the film from scratch broken.

Step 4. customized Strong wood carton packing

The customized strong wood packing for ocean ship,The machines are fix oi in the wood carton, effectively prevent collision and shock.

Exhibition

Exhibition

Our company participates in many exhibitions at home and abroad every year, We have come to different countries every year to participate in the exhibition, so that customers can further understand the company and products, expand the company's influence.

FAQ

Q:How long is the time of delivery?

Generally, the test delivery period is one month.

Q:If my order is very urgent, how long you can proceed?

We have helped many clients with their urgent demand. If your order is urgent, please check with our specialists to see if we can help.

Q:How are the products packed for sea shipment?

Most of the products have their unique packing, Then we put them into a carton. The cartons are sealed with tape.

Q:How can you make sure that the products won't be damaged or wet?

We take multiple measures to protect the products. They are first packing with individual. We put them into a carton and wrapped with plastic film and sealed with tape to keep the cartons in position and protect them from water.
