

Automatic SMT PCB Mounting Machine 68 Feeders LED Lighting Manufacturing Machine

Our Product Introduction

for more products please visit us on smtmountingmachine.com

Basic Information

- Place of Origin: CHINA
- Brand Name: ETON
- Certification: CE, CCC, SIRA
- Model Number: HT-F7S
- Minimum Order Quantity: 1 set
- Packaging Details: vacuum adsorption, wooden packing
- Delivery Time: 30 days after receive the down-payment
- Payment Terms: T/T
- Supply Ability: 50 sets per month

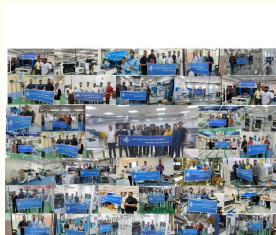

Product Specification

- Warranty: 1 Year
- Applicable Components: 0805,0603,1206
- Name: SMT Pick And Place Machine
- Application: SMT Production Line,for SMT Machine
- Condition: New,100% Original,Brand-new
- Mounting Speed: 180000 CPH
- Type: Automatic
- Usage: SMT Mounting Machine,LED
- Highlight: 68 feeders SMT pcb mounting Machine , Automatic SMT pcb mounting Machine, 68 Feeders LED Lighting Manufacturing Machine

Product Description

High Speed Chip Shooter LED SMT Machine SMD LED chip mounter

What is Pick and Place Machine?

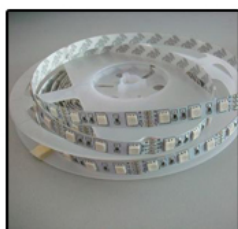

Automatic Positioning Machine is used to realize high speed, high precision and automatic positioning of components. It is the most important and complex equipment in the whole SMT production. The machine position is really an industrial precision robot. Through the function of absorption-transfer-position-position, without damaging components and printed circuit boards, it realizes fast and accurate mounting of SMC/SMD components to the processes Specify the Pad position on the PCB Board.

Application

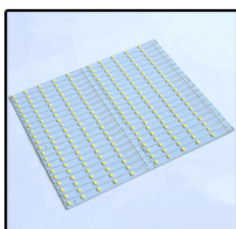

I Apply to the 0.6m, 0.9m, 1.2m(0~1.2m)LED hard light Board and LED Strip (Rope Light) etc.

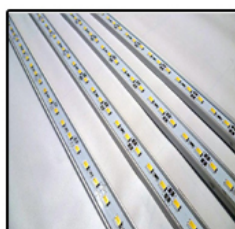

I Apply to LED Strip flexible and hard tube board, panel etc.

Flexible strip

LED Chip board

LED Chip board

LED Tube

LED Panel light

LED Spotlight

Technical Parameter

HT-F7S	Specifications
Length Width Height	2700*2450*1530mm
PCB Length Width	MAX:1200*330mm MIN:50*50mm
PCB Thickness	0.5 ~ 5mm
Mount Mode	Group to have and group to bond
Not available. of Camera	5 sets of imported cameras
System Vision	Vision link, Mark correction
Precise Mounting	± 0.02mm
Installation Height	15±2Mm
Mounting Speed	150000 ~ 170000CPH
Element	LED30140/3528/5050/3030/5630/5730/4014/2835 and resistor etc.
Speed Components	0.2mm
Eat Station	68PCS
Not available. of the Nozzles	34PCS
Electrical control	Independently researched and developed by ETON
Modular Motion Control Card 1 Set	Independently researched and developed by ETON
XY Shaft Drive Way	High-grade magnetic linear motor and servo motor
How to eat	Power feeder with dual motors

Our company

Efficient team: The best suggestions of full SMT line equipment according to your budget and site.

Competitive price: We are directly manufacture of the ETON pick and place machine, so we can give you the best competitive price with high quality materials.

High quality: We have strictly quality control during all production from raw materials to the finished machine.

High efficiency: All machines parts are made by ourselves, so it's convenient to control the time schedule and quality timely.

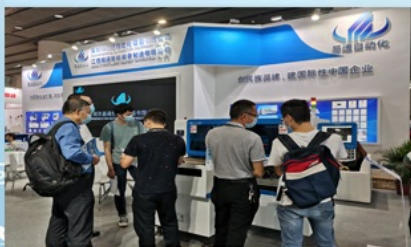

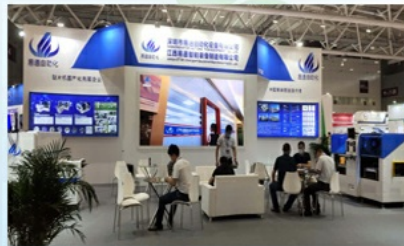

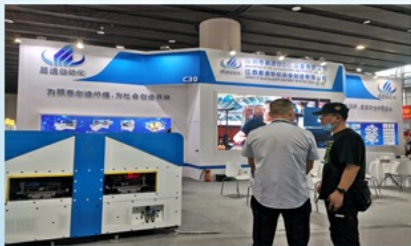

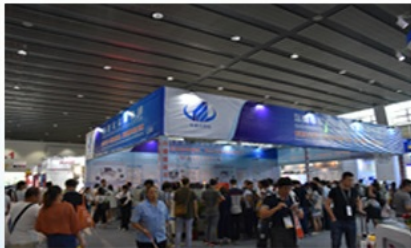

◆ Certificate Of Honor:

Eton advanced technology and innovation drive the market revolution rapidly, and obtain a number of intellectual property technologies, including 9 invention patents, 112 actual patents, 12 software copyrights.

◆ Our Office and Factory:

We have about 50000 square meters industrial production park and around 300 people in the company. In the market, about 80% of large LED factories are our customers.

Exhibition

Five-star Services

-  **Professional solutions:** Provide professional SMT Full line solutions
-  **Free Warranty:** One-year warranty factory service.
-  **Free Installation:** On-site free installation to ensure smooth production.
-  **Free Technical Training:** Professional training of operating and maintenance.
-  **Free Technical Support:** 7 * 24 technical online support.
-  **Free Software Upgrade:** Offer free software upgrade whole lifetime

FAQ

Q: How can I get to know you better?

A: You can have a specific understanding of our company through our company's official website. After the epidemic, you can come to our company to know offline under safe conditions. Off-line can make you have a deeper impression on our company.

Q: Are you a trade company or a manufacturer?

A: We are an experienced manufacturer of SMT. Our company has been established for ten years, the company has more than 300 employees, the company is a large-scale, is the top domestic enterprises

Q: What's your operating system?

A: Our operating system is windows 7.

Q: If I have any questions that I don't understand, can I ask you at any time?

A: Yes. If you have any questions, please don't hesitate to ask me. We have local engineers and office in India and Egypt, can help u very convenient.
