

No Limited Product Length ET-600 Adhesive Tape Machine with 99% Qualification Rate

Our Product Introduction

for more products please visit us on smtmountingmachine.com

Basic Information

- Place of Origin: China
- Brand Name: ETON
- Certification: CE,CCC,SIRA,ISO
- Model Number: ET-600
- Minimum Order Quantity: 1 set
- Packaging Details: Packing in film package and foam cotton, and covering vacuum bag within sturdy wooden boxes.
- Delivery Time: 30 working days
- Payment Terms: T/T
- Supply Ability: 50 sets per month

Product Specification

- Power: 40w
- Model: ET-600
- Voltage: AC220V, 50/60Hz
- Name: Adhesive Tape Machine
- Product Length: No Limited
- Weight: 70KG
- Dimension: Length 1800*, Width 400*, Height 1100MM
- Application: Soft Light, Hard Light, S Lamp, Lamp Panel, LED Backlight
- Highlight: **99% Qualification Rate Adhesive Tape Machine, ET-600 Adhesive Tape Machine, No Limited Length Adhesive Tape Machine**

Product Description

Save labor simple operation product qualified rate of 99% adhesive tape machine

Description

Product introduction:

According to the customer requirements, to solve the soft light, hard light, S lamp, lamp panel, LED backlight and other products with the consistency of the quality cost of artificial gum, difficult problem, this equipment after repeated research, testing, the grand launch of ET-600 plate with double-sided adhesive machine.

Product features:

High efficiency: 5 meter soft light bar, for example, an hourly capacity of 5000 meters

High quality: double-sided adhesive non bias, the product qualified rate of 99%

The provincial Manual: a machine instead of 6-8 people's work output, simple operation

Reduce costs: save labor costs, save double-sided adhesive, easy to manage

Product function:

Can realize a variety of products automatically paste double-sided adhesive function;

The machine feeding can be fully automatic, semi-automatic switching;

Glue height adjustable, can be changed according to different product height;

Double-sided adhesive width adjustable, can adjust the width of double-sided adhesive according to different product sizes, can be arbitrarily switched;

It can realize single or multi stick double glue at the same time, and the efficiency is higher.

Parameter:

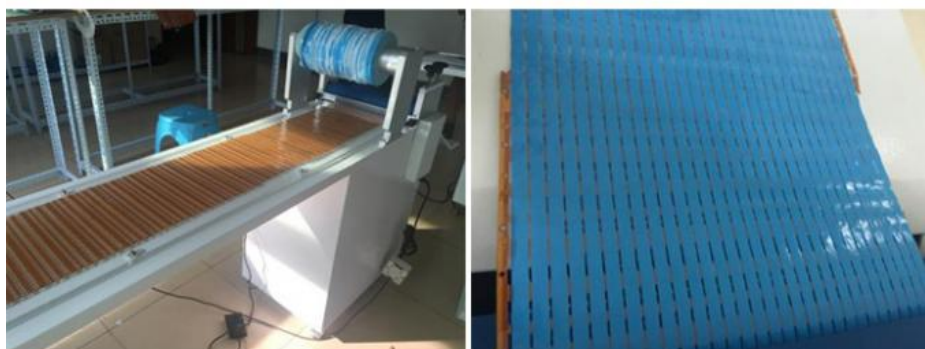

Voltage: 220V 50-60HZ

Power: 40W

Weight: about 70KG

Size: length 1800*, width 400*, height 1100MM (adhesive product length is not limited);

Adhesive tape machine parts

Certificates

As an experienced manufacturer in SMT machine, we obtained a number of intellectual property technologies, including 14 invention patents, 135 practical patents, 55 software copyrights, with our own R&D department for production and inspection. And also earned the overseas certificates as CE, CCC, SIRA, etc.

Shipping and Delivery

We usually transport the goods to the port in containers and then ship them to the destination. For the transportation of machines, land transportation and air transportation are also possible.

Air freight:
for urgent good, and it is the most expensive transportation way;

Land transportation:
suitable for inland countries and it is affordable;

Noah+8613632769526

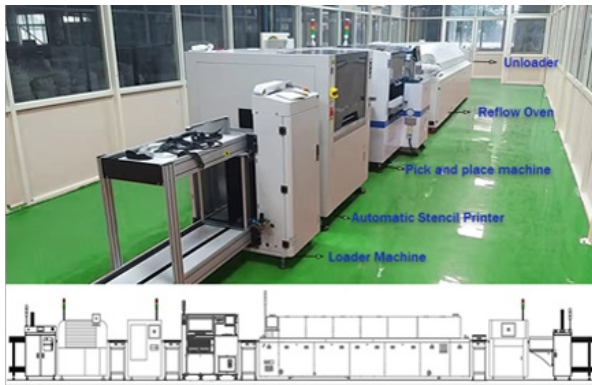

Shipping:
It's suitable for heavy goods, and the convenience and lower cost of shipping which is easy for clients to accept the arrival time of the goods.

Related machine

We can provide a whole SMT production line, led light production line:

1. Pick and place machine
2. Loader machine
3. Conveyor machine
4. Stencil printer machine
5. Reflow oven machine
6. Unloader machine
7. Solder paste mixer
8. Roll to roll led strip light assembly machine

FAQ

Q. Is the machine easy to operate?

A. Yes, our machine is very intelligent and easy to operate, like the intelligent phone, also the software is made by our company, so we know how to make it more intelligent and operate friendly.

Q. What services can you provide?

A.

1) We provide whole line solution for our clients;

We have local engineers in India, Egypt, Turkey. As long as you buy the machine, we will arrange engineers to install, debug and training you for free, until you learned how to operate the machine, our service is very convenient;

We also have Chinese engineers which provide online services to operate the machine to solve the problems with the machine;

We will visit our clients for twice a year to operate the machine and view the status of the machine;
