

High capacity SMT Mounting Machine for LED Light 100 Roll to Roll flexible strip

Our Product Introduction

for more products please visit us on smtmountingmachine.com

Basic Information

- Place of Origin: CHINA
- Brand Name: ETON
- Certification: CCC,CE, SIRA
- Model Number: HT-T9
- Minimum Order Quantity: 1 SET
- Packaging Details: wooden case,
- Delivery Time: 20 working days
- Payment Terms: T/T
- Supply Ability: 50 set per month

Product Specification

- Warranty: 1 Year
- Name: SMT Pick And Place Machine
- Application: SMD Production Line,SMT Production Line,for SMT Machine
- Condition: New,100% Original,Brand-new
- Weight: 1700kg
- Mounting Speed: 250000 CPH
- Type: Automatic
- Usage: SMT Mounting Machine,LED
- Feeders: 68
- Highlight: **High capacity SMT Mounting Machine, LED Light SMT Mounting Machine, flexible strip SMT Mounting Machine**

Product Description

Machine details

High capacity	<ul style="list-style-type: none"> High-speed magnetic linear motor pick and place machine in led light SMT production line Two mounting module,17 nozzles pasted on the PCB board at the same time,maximum mounting speed 250000 CPH
High precision	<ul style="list-style-type: none"> Automatically fills components to missing coordinates MARK visual correction system Magnetic linear motor and servo motor,using Israeli technology,ensure the accuracy of X,Y and Z axis
Power functions	<ul style="list-style-type: none"> Component:LED,capacitors,resistors,IC,shaped components,etc. Application:LED light,like flexible strip,tube,panel light.
Operation&maintenance	<ul style="list-style-type: none"> Chinese and English graphical interface,easy to operate Free software upgrades for life,can be saved and edited files,arbitrary call Easy maintenance:easy maintenance,low cost of replacement parts,low maintenance cost.

Machine parameters

length	3100mm
Width	2300mm
Height	1550mm
Total Weight	1700kg
PCB Length Width	250mm*any length
PCB Thickness	0.5-1.5mm
Mounting Mode	Group picking and separately placing
Mounting Height	≤5mm
Mounting Speed	250000CPH
Components	LED 3014/ 3020/ 3528/ 5050 and capacitors, resistors, bridge rectifiers, etc.
Components Space	0.5mm
No. of Feeders Station	68 PCS
No. of head	68 PCS
Feeding way	Electric feeder with double motor

Packing and payment

Terms of payment: 30% depositing on the date of signing contract,70% payment before delivery

All machines are packed with vacuum and wooden packing

Step1:Film packaging.

Step2:Vacuum packaging.

Step3:Wooden box packaging

You can trust us, because we have professional and standard packaging to protect the machine.

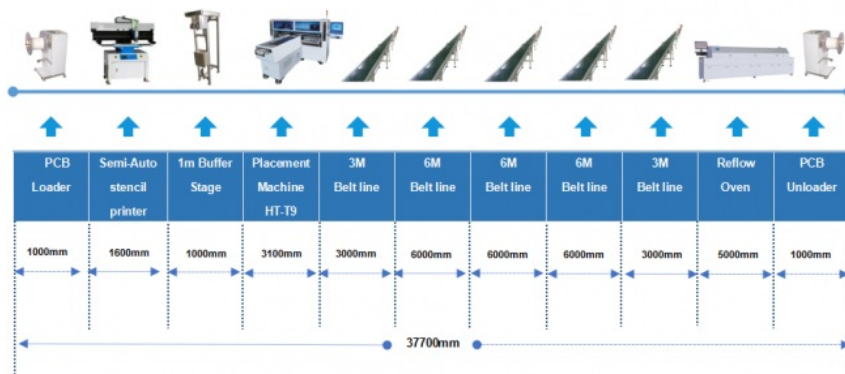

Company quality principle

ETON has invented the fastest automatic pick and place machine with speed **500000**CPH. Since its establishment in **2011**, ETON has been committed to the development and production of SMT placement machines and peripheral equipment in **2007**. Rich experience in SMT Industry Line. ETON set up more than **15** years, we are leading manufacturer of SMT machine in China. Strong production capacity, ETON have more than **50000** square meter Industrial park in Jiangxi Province, machine capacity more than **50** units/month.

25m flexible SMT automatic production line

Automatic stencil printer machine with pick and place machine, loader, conveyor, unloader, reflow oven to be one automatic line. Automatic line save much labor cost compared with the semiautomatic line, also with higher printing precision could produce high quality electrical products. Here are the automatic SMT line solution layout:

Application

SMT Machine mouter apply to **led filed**, highspeer mouter T9 suitable for any length led strip light. At present, **LED soft Light strips** are not only used in the field of interior decoration lighting, but also in **urban lighting**, **landscape lighting**, **commercial lighting** and a Some special lighting collars are only used in the field of **interior decoration lighting**, but also in urban lighting, landscape lighting, and commercial lighting. And some special lighting fields are very popular.

Our industrial park

The factory belonging to our company has been successfully built, there is 50000 SQM, equipped with advanced processing and manufacturing centers, scientific research buildings, exhibition halls, etc., to ensure quality from the source and further standardize production processes.

Our service

- If you buy our machine, we will arrange engineers to install, debug and training you for free, until you learn to operate the machine.
- We have office in Mumbai and New Delhi, service is very convenient
- Besides India, we also have local engineers in Egypt, Turkey, can provide you with timely service.
- Chinese engineer provide online service

FAQ

Why should you buy from us not from other suppliers?

We are high-tech professional manufacturer of SMT machine with more than **10 years** with good quality and reputation. We have rich experience in helping client to start new factory and new line.

"Professional, high-effective, cost-saving" are our advantages.

Are you a trade company or a manufacturer?

We are an professional manufacturer specialized in Screen Printer, SMT Machine, Pick and Place Machine, Reflow Oven, SMT Production line and other SMT Products. Also we have **52000** square meter Industrial Park.

What is your payment terms? What about the trade term?

100% payment before delivery or 50% deposit in advance and the rest before shipment. T/T is OK. You can choose **FOB Shenzhen**.
