

Led Tube PCB Processing machine HT-F7s high speed SMT Mounting Machine

Our Product Introduction

for more products please visit us on smtmountingmachine.com

Basic Information

- Place of Origin: China
- Brand Name: ETON
- Certification: CCC/CE
- Model Number: HT-F7S
- Minimum Order Quantity: 1SET
- Packaging Details: Vacuum packing in wooden case
- Delivery Time: 15-30days
- Payment Terms: T/T
- Supply Ability: 50 Unit/UNits per month

Product Specification

- Highlight: Led Tube PCB Processing machine, SMT Mounting PCB Processing machine, high speed SMT Mounting Machine

Product Description

Shenzhen Eton Automation Equipment Co., Ltd.

Features

produce two to four different types of materials at the same time,

Total 34 heads with double mounting heads, Each mounting head has 17 nozzles,

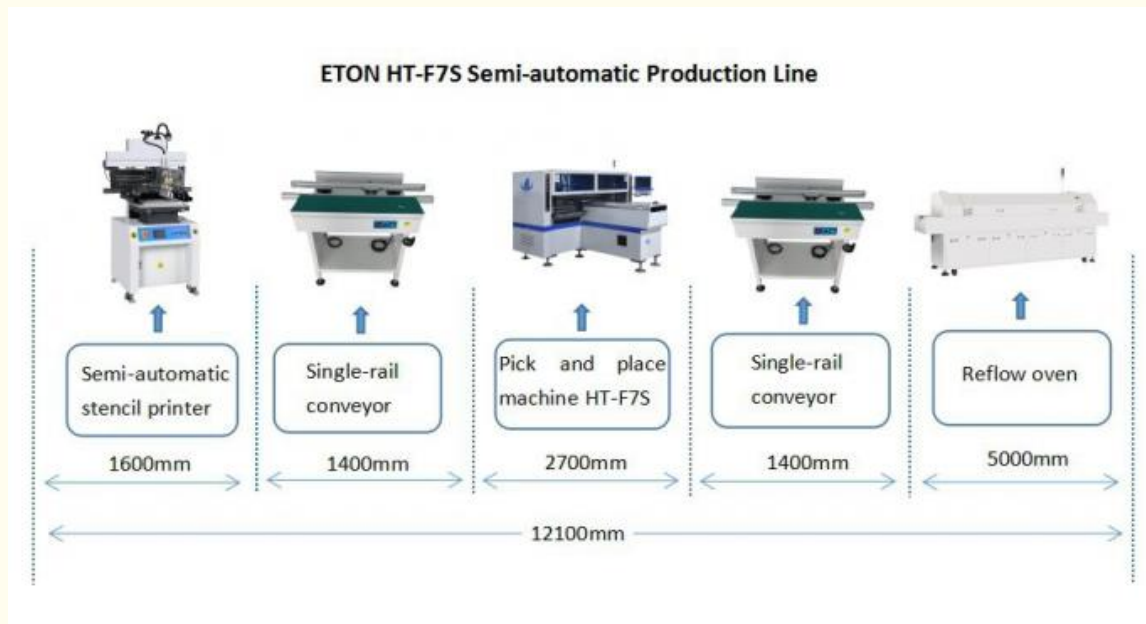

For Every mounting head, it can be mounted separately or synchronously.

For led tube light SMT machine HT-F7S, the optimum mounting speed can reach 180000 CPH.

HT-F7S is professional and high speed pick and place machine, because it mainly adopt the group to pick and group to mount mounting mode.

Technical parameter

Model:	HT-F7S
PCB Length	Max:1200*330 mm
Width:	Min:100*100 mm
Mounting speed:	150000-180000 chip per hour
No. of Feeder station:	68 PCS
Power	380 AC 50HZ
Dimension:	2700*2300*1550 mm
PCB Clamping:	Adjustable pressure pneumatic
Components:	SMD LED 3014/3020/3528/5050/5735/5630 and resistor, capacitor, bridge rectifiers, etc
No. of Nozzles:	34 PCS
Feeding way	Electric feeder with double motor

HT-F7S Semi-auto SMT line Solution**Exhibitions**

Our company participates in many exhibitions at home and abroad every year,

You will see ETON's booth in some well-known large-scale exhibitions in China, including large-scale exhibitions held in Shenzhen, Guangzhou, Chongqing, Shanghai and other places.

Foreign exhibitions include exhibitions in more than 20 countries including Mumbai, Delhi, Egypt, Turkey, and Vietnam.

Services

1. We have local India engineer, as long as you buy the machine, we will arrange engineer to install, debug, and training you for free, until you learn to operate the machine, service is very convenient. We have offices in Mumbai and New Delhi, very quick to support.
2. Chinese engineers provide online services.
3. If necessary, Chinese engineers will come to your factory for free install and training.
4. Besides, India, we also have local engineers in Egypt, Turkey. Can provide you with timely services.
5. One-year warranty period, any parts that need to be replaced or repaired during the warranty period are free.
6. Once you buy our machine, you will enjoy free software upgrades for life.
